Hello, I'm Lauren, the Imperfect Coach, also known as the Queen of Awkward, which this is very. Anyway, I'm happy you're here, and I'm happy to show you a little bit around my website. Ideally what we want to do is have you book a chat [points downwards], a chat [points downwards], a chat [shrugs]. Let's start with a chat. So book a 15-minute Collab Call, book an intro call, book... I dunno, book something and we'll chat. We'll talk about what you want to do. We'll talk about polite rebellion. We'll talk about atypical marketing, and we'll talk about imperfection in all of its glories. I look forward to hearing from you, and meeting you, and talking with you.
